SPONSORSHIP INVITATION

"Recovery is a process of change through which individuals improve their health and wellness, live a self-directed life, and strive to reach their full potential." ~SAMHSA

The Center for Family Life and Recovery invites you to support our annual Light of Hope event, raising awareness and providing support for those affected by substance use, addiction, overdose, suicide and related stigma.

Join us for resources, peer engagement, music, and a luminary vigil paying tribute to recovery warriors and those lost to overdose, suicide, or mental health struggles. Together, we offer help and hope in the face of tragedy. Sponsorship opportunities are available to expand our impact and achieve our vision to create a world where people have the power to achieve and celebrate recovery.
